Developing Character, Confidence and Commitment

Monday 10th February

Dear Parents,

We've an action packed week of events going on in the Atlantic Academy Primary School this week.

Monday sees a focus on Mental Health with Relax Kids visiting Year 6 for the first of two sessions which will help them build resilience and develop coping strategies that will stand them in good stead for their upcoming SATs.

On **Tuesday** this week we are learning about how to stay safe online for internet safety day. All of our lessons are based on a class text guiding us in ways to stay safe online. [If you would like more information about E Safety day, how to keep your children safe online and age appropriate games, please do follow this link.](#) The Safer Schools team will be following up the events on Thursday with Year 5.

On **Wednesday** we have the Year 5 Class assembly. Parents and Carers are welcome to attend, I know you will make a most wonderful audience for the students who are looking forward to sharing all they have learnt this term with you all. The assembly will be the first thing in the morning and parents will be invited in from 8:45; we hope to see as many of you there as possible.

Keep an eye out for our bumper edition of the Primary Newsletter at the end of the week, highlighting all the great things that have been happening this term. It's wonderful to see how much has been achieved and celebrated over the past 6 weeks.

Have a wonderful week everyone, here's hoping the storm passes before half term!

Miss Heppell
