Dear Parents/Carers

Re: Hospitality and Catering Course Central Ordering

I am writing to let you know that following feedback from parents and students, I have decided to centralise the process of ordering food items required for the Hospitality and Catering course this year. We feel this will support students in being able to fully participate in practical work, as well as dramatically reducing cost to parents.

I have calculated the cost of the cook sessions for this unit up to week 10 and the SQuid system is now available to pay a total of £20.00. This covers the cost of the food and ingredients.

Thank you for your support in this matter

Yours faithfully

Miss T Board
Assistant Principal Orange Faculty
