Dear Parents/Carers

Re: Year 6 Summer Residential 30th June - 3rd July 2020

To celebrate the final year of primary school before the transition to Atlantic Year 7, we are running a summer residential visit to London for all Year 6 students should they wish to attend. We are hoping to run this visit for an all inclusive price of approximately **£375 per student** - we cannot finalise the cost until we know the number of children signed up. This would include accommodation, food, insurance, all the attractions listed below and coach travel for the duration of the trip.

In order to run the trip we will need a minimum of 35 children. We would ask you to express your interest by completing the form on the following link, **London Letter of interest consent form** **AND** paying the deposit by the deadline via your sQuid account. If numbers are not sufficient then parents will be refunded and the trip will not go ahead.

A non refundable deposit of **£50 will be due by 2pm Monday 30th September 2019**- we apologise for this short deadline, however due to the demand of hotels in London at the time of our visit the Travel Company are required to pay this to the hotel by the 1st October 2019. The outstanding balance will then be paid in five monthly instalments - dates to be confirmed once the visit is finalised.

We will be visiting London on the 30th June - 3rd July 2019 (4 days and 3 nights). We will be staying in the Wembley International Hotel, London and showing the students the wonderful sights our capital has to offer, including:

- Warner Bros. Harry Potter Studio Tour
- The Olympic Park (with the option of the Orbital Slide)
- The Science Museum
- A West End Show (TBC which show)
- Chessington World of Adventure and Zoo (dinner at a restaurant on the way back to the hotel)
- Breakfast at the hotel's restaurant
- Evening meals either at the hotel or local restaurants
- Packed lunches for days 2,3 and 4

We have tried to keep our time in Central London to a minimum. Our dedicated coach is able to drop off and collect the group directly outside venues, reducing any walking in London significantly. As well as this, our adult to child ratio will be 1 adult to a maximum of 10 children.

If you have any questions about any aspect of the planned visit, please do not hesitate to contact my colleague, zfowler@atlantic-aspirations.org, who is coordinating the visit.

Yours faithfully

Mrs A Hill
Deputy Head of Primary
