

Kings and Queens

Dear Parents/Carers,

Welcome back, we hope you all had a great Easter break!

We are looking forward to starting our new term of virtual learning. It has been fantastic to see so many of you working hard with us and engaging in the learning - we couldn't do it without your support! If you have not

already, make sure you have signed into  and continue to access the work that has been set.

If you are experiencing technical difficulties or time restraints, please focus on the English, Phonics and Maths lessons.

As always if you have any concerns or issues, please do not hesitate to contact us - we're happy to help.

Miss Neve, Miss Chant and Mrs Denning

OUR DRIVING QUESTION:

How do we, as historians, know Kings and Queens have ruled England for many years?

AS WRITERS we will be learning to write some amazing descriptive stories inspired by our books 'The Queen's Knickers' and 'The Birthday Crown'.

AS MATHEMATICIANS we will be learning all about money and practicing our measuring skills as we look at volume, capacity and mass. Later in the term we will be using our mathematical language to talk about position, movements and turns.

AS HISTORIANS we will be investigating the Kings and Queens who have ruled Britain and focus on what has changed over time.

AS COMPUTER SCIENTISTS we will be learning about eBooks and digital illustrations. We will also recap our understanding of e-safety.

AS SPORTS STARS we will be adding some athletics to our virtual P.E lessons from sprinting to throwing to jumping. Mixing this all up with fitness, yoga and dancing activities to keep us healthy and strong!

AS SCIENTISTS we will be discovering the different materials in the world around us and using our observation skills to explore these. We will conduct our own experiments to find out about the properties of materials.

AS CITIZENS we will be finding out about some of the Jewish stories and thinking about how we can support and encourage others.

AS MUSICIANS we will begin to look at harmonies.

THINGS TO REMEMBER

AS ARTISTS we will be concentrating on how children are portrayed in art. In particular, we will study the painting 'The Graham Children' by Hogarth.

- Please log into Seesaw daily and share anything you are proud of.
- Lexia, Spelling Shed and Matheletics are all available resources to use at home.
