Dear Parent/Carer

## School Age Immunisation Programme Temporarily Suspended – Year 8 and 9 HPV

Following notification from **Dorset Health Care (NHS)**, we are writing to inform you that the School Age Immunisation Programme has been temporarily suspended after receiving guidance from Public Health England.

This will therefore mean that the planned HPV immunisations at Atlantic Academy Portland, after the Easter break, will now not be taking place.

Please be assured that all Year 8 and 9 students due either a first or second dose, and any catch-up students, will be followed up in future programmes. You will be advised accordingly when details are available.

In the meantime, please visit the Dorset Health Care (NHS) website for any further information required:

Thank you for your understanding at this difficult time.

Yours faithfully

Mrs L Migliari  
Associate Vice Principal of Secondary
