April 2020

Dear Parent/Carer

## Virtual Easter Challenges

We hope you are well, staying at home and keeping safe.

During the continued closure of the Academy, we recognise the need to provide daily structure for our children so that their routines are as normal as possible. To this end we have planned some creative activities for all of our students to engage with during the Easter holiday. In normal circumstances we might take a break at this time and in that spirit we have created a portfolio of virtual activities called an 'Easter Challenge' containing lots of creative, fun and absorbing pursuits that your children can try out at their leisure.

We will be sharing these directly with your children via our google classrooms and you can access an overview of the plans on the Atlantic website or by following this link: [Secondary Easter Challenge](#).

Finally, thank you all for your recent contributions to our student/parent survey. Your feedback has informed our planning for home learning after Easter and we will share with you the new revised timetable for student home learning during the holiday.

Yours sincerely

Mr Angus Dawson  
Assistant Principal and Faculty Director
