Dear Parent/ Carers

## Sports Facilities Development Survey

We are looking at re-developing some of our indoor or outdoor space at Atlantic Academy, to create additional sport/activity facilities for use by pupils and the local community.

This is a large scale project and we require your support in researching various options for the development of these areas. The project will allow us to offer a wider physical education curriculum as well as presenting an amazing opportunity for two new community spaces.

We welcome your thoughts and invite you to complete this [questionnaire](#) by **Wednesday 24<sup>th</sup> June**.

It will take approximately 5 minutes to complete.

Yours sincerely

*M Randell*
