Dear Parents/Carers

Supporting Portland Town Council Climate Emergency

Some of you may be aware that the local Portland Town Council have recently declared a climate emergency; with the aim to actively reduce Portland's impact on climate change and pollution.

With this in mind, we have been requested by Portland Town Council to liaise with our parents and carers to support this endeavour by asking those of you that drive, to turn off car engines when collecting your children from school.

When the weather improves and the distance allows, there is also the option to walk to school; obviously allowing enough time to ensure that your child is not late!

Thank you in anticipation for your support to the local community and our environment.

Yours faithfully

Mrs S Hendrie
Assistant Principal & Dir of Support Services
