Developing Character, Confidence and Commitment

Friday 20th **December!**

Dear parents,

What a wonderful term we have had! This term we have seen fantastic progress made by all pupils, both academically and in confidence. We have experienced the highest ever number of trips and events. We have run our very first Healthy Living Week which has led to a skipping phase sweeping the academy and the highlight of the year so far, the staff Pantomime today.

We have also received some wonderful feedback from parents this term, this has been highlighted when a parent requested for some of our students to be recognised for their impeccable behaviour and manners towards the youngest members of the community. These students were presented with a British Values award today.

We love hearing about how our students represent us in the community and would love to hear about any stories you have to share.

Have a wonderful Christmas and we will see you all in the New Year on **Tuesday 7th January.**
