16th July 2019

Dear Parent/Carer

Re: Evening Fishing Event Monday 22nd July 2019- Chickerell Lakes

We have the opportunity to take a small number of students from Years 7 and 8 to Dorchester Angling Club lakes, near Chickerell, on Monday 22nd July 2019.

We will travel to and from the venue by school minibus and plan to depart, promptly, from Atlantic Academy, Maritime House, at 3:30pm. We will depart from the lakes at 7.00pm, to return to Atlantic Academy by 7:30pm. Parents and students will need to make arrangements for students to get home from school at this time. Unfortunately if a student has a detention on this night, then that will take precedence.

There will be no charge for this visit and all equipment will be provided free of charge; students may not bring their own equipment.

This visit will be suitable for complete novice anglers who have never fished before; instruction will be provided by members of the Dorchester Angling Club.

Students will need to wear their PE shirt and sensible trousers. Clothing dependant on the weather may also be necessary, such as coat. A baseball style cap and sunglasses are always advisable when fishing.

Dorchester Angling club may arrange for a member of the local paper to come and interview our students on the evening and take photos. These photos may also be used by Dorchester angling club for publicity purposes, as it tries to encourage more young people to take up fishing. Please indicate on the consent form if you are happy for your child to have photos taken.

There are only a small number of places available, so the trip will operate on a first come, first served basis.

Please complete the consent form via the following link [Fishing Trip Consent Form](#) no later than Friday 19th July 2019 12.00pm. If you have not completed the form then unfortunately your child will not be able to attend.

Yours faithfully

Mr McConnell
Subject Coordinator
