7th November 2019

Dear Parent/Carer

## **Race for Life: Charitable fundraising inter-faculty run to support Cancer Research UK**

I am writing to inform you that your child will be participating in an inter-faculty competition during one of their PE lessons between the 18th and 29th November. The competition will involve your child, where appropriate, taking part in a cross country run, in and around the Academy grounds. This event will also be an opportunity for them to raise funds for the charity, Cancer Research UK.

As I am sure you are well aware, Cancer Research UK does immeasurably good work in pioneering care and support for cancer sufferers and this Autumn there are 'Race for Life' events taking place across the country. Your child's PE teacher will inform them when their race is scheduled, so that they can prepare fully and we recommend a £1 entry contribution, where possible, which we will donate to the charity.

Each student that completes their race will receive a specially designed 'Race for Life' medal and we have organised prizes for the top competitors in each age group category.

I am sure you will agree that this will be a really beneficial experience for all of our students and I would like to thank you in advance for your support.

Yours faithfully

*C. Lown*

Mrs Lown  
Subject Coordinator for Orange Faculty  
Assistant Pastoral Lead for Key Stage 3
