

Dear parents,

We hope you have all enjoyed the first half term and have had a good break. We are excited to let you know about our next half term - Autumn 2.

PE day: Thursday

Homework:

Every day: 20 minutes reading

Mon: TT Rockstars set/due

Tues: History KO (10 mins)

Wed: Science KO (10 mins)

Fri: Spelling Shed & Mathletics set/due

Please can all uniform be labelled with your child's name to ensure we can do our best to return any lost property.

As always if you have any concerns or issues, please do not hesitate to contact us.

Mrs Watson, Mr Ekers and Mrs Halcrow.

OUR DRIVING QUESTION:

AS WRITERS we will be reading a variety of non-fiction books, including a Dorling Kindersley book, Kings and Queens. We will be writing a letter, character description and scene description leading up to a story set in Medieval times. We will also be focussing on some Christmas poetry. Our grammar will consist of verb forms, modal verbs, prepositions, expanded noun phrases and changing nouns to adjectives.

AS COMPUTER SCIENTISTS we will be working on E-Safety as we consider creating safe passwords.

AS CITIZENS (PSHCE/RE) we will be finding out about ceremonies such as confirmation and marriage.

Who was the greatest Medieval Monarch?

AS HISTORIANS we will be considering the driving questions through a study of: the rightful heir to the throne in 1066, the death of Thomas Beckett, Kings Richard and John, Edward 1 and the reasons for the reformation with Henry VIII.

AS ARTISTS we will be looking at prints and printmaking.

AS ATHLETES we will be taking part in tag rugby and volleyball.

AS MUSICIANS we will be continuing with simple songwriting.

IN FRENCH we will continue to tell the time. We will be recapping different breakfast foods, and consider our food likes and dislikes.

AS MATHEMATICIANS we will be continuing our work on multiplication and division. We will complete a selection of word problems, and fractions with Maths No Problem.

AS SCIENTISTS we will be furthering our knowledge of life cycles by making comparisons between different organisms and also looking at how they reproduce.

THINGS TO REMEMBER

- PE every Thursday. Please have your kit in school.
- Please make sure your child has all of the stationery equipment they need.
