Developing Character, Confidence and Commitment

Monday 3rd February

Dear Parents,

Thanks for your support with another great week, as we get closer to half term can we thank all of you who are working hard to ensure your child has the best possible attendance at Atlantic.

Our Enrichment clubs continue to run until 24th February. Following this we will be sending out our new choices for the final run of Enrichment activities. This year we have seen some wonderful offers popular choices seem to be Origami, Sports clubs, singing and a range of other creative activities. We look forward to sharing what we have on offer for the last selection of the year.

11th February is Internet safety day. We are running activities and lessons in all year groups to help educate our students in this important area. If you would like more information about how you can support your child in understanding the correct way to set the range of online platforms offered to them, [this link](#) provides some useful resources.

We will be celebrating World Book day on Thursday 5th March. All children in the Primary Phase will be invited to dress as a character from a classic text for the day. In the evening we will be inviting children back in for books at bedtime where they can enjoy a hot chocolate and story with some of our teachers.

A reminder that we have weekly tours at the Academy, it would be wonderful to any visitors, we love showing off our students hard work.

Miss Heppell
