Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
D. Bespoke programme of intervention for PP students based on individual understanding of situation via Teacher (Yr 1/2/6)	In class recommendations created for each PP student. Individual interview for each. Meet students in small groups Explained the process – that they are eligible for PP Asked them what they need, identify barriers to learning Checked in with them regular Summarised notes with targeted actions provided for each student from RA team	Rationale – given our numbers of PP students we are in the position to be able to know them and respond to their needs individually. Results are lower than whole school and the individual approach will allow a bespoke programme for PP students to be created. Better understanding of needs analysis often a small barriers being removed can have high impact. Students need to have a stake in what they are learning. When visiting classrooms, we know	Individual review with class teachers via progress meetings f PP students at tracking points. Interview with students to gauge how things are progressing and if barriers are being removed. Action plan agreed where appropriate to assist students in improving progress where necessary. Reviewed protocols to ensure regular updated attendance info to relevant staff and a ‘PP First’ approach to monitoring attendance and pick up via attendance minibus</p> <p>On the whole PP attendance is very similar to whole school, and a re-focus on this aspect of work will serve as a reminder to students and parents of the need for consistently good attendance.</p>	<ul style="list-style-type: none"> Regular meetings with staff involved (JCo/SMa/MHe) SLT agenda every week (JCo) DMB and Assemblies (MHe) Attendance Bus (SMa/Fred) Attendance dashboard for improved tracking Attendance flyer sent out with report <p>% staffing costs</p>	SMa/JCo	End of Unit 3 as new team starting summer term
F. Appropriate levels of financial support for disadvantaged students to ensure equality of opportunity	Continue to support payments to families as necessary to ensure equality of opportunity to resources and curriculum.	PP students can be at a disadvantage to enjoy the same opportunities as peers. Payment will be made where appropriate to support this	<p>Budget for equipment/ books and uniform : FDs to give equipment eg (chromebooks for hegerty)/ uniform where needed</p> <p>Review via spreadsheet and through checking the in class recommendations are followed where requests are made.</p> <p>£10K budget</p>	Class teachers /MHe	daily
