Dear Parents and Carers

COVID-19 Update

As previously shared, schools have been directed to close today and remain closed until further notice **except for children of key workers and vulnerable children**, as part of the country's ongoing response to COVID-19 (coronavirus).

We are writing to confirm that at ten past midnight today, the UK Government issued the following guidance -

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision>

GOVERNMENT GUIDANCE

The government is asking "parents to keep their children at home, **wherever possible**, and asked schools to remain open **only** for those children **who absolutely need to attend**."

"It is important to underline that schools, colleges and other educational establishments remain safe places for children. But the fewer children making the journey to school, and the fewer children in educational settings, the lower the risk that the virus can spread and infect vulnerable individuals in wider society."

"Schools are, therefore, being asked to continue to provide care for a **limited number** of children - children who are vulnerable and children whose parents are critical to the Covid-19 response and **cannot be safely cared for** at home."

"Vulnerable children include children who are supported by social care, those with safeguarding and welfare needs, including child in need plans, on child protection plans, 'looked after' children, young carers, disabled children and those with education, health and care (EHC) plans."

"Parents whose work is critical to the COVID-19 response include those who work in health and social care and in other key sectors outlined below ([in the linked document](#)).

Many parents working in these sectors **may be able to ensure their child is kept at home. Every child who can be safely cared for at home should be.**"

"Please, therefore, follow these key principles:

- If it is at all possible for children to be at home, then they should be.
- If a child needs specialist support, is vulnerable or has a parent who is a critical worker, then educational provision will be available for them.
- Parents should not rely for childcare upon those who are advised to be in the stringent social distancing category such as grandparents, friends, or family members with underlying conditions.
- Parents should also do everything they can to ensure children are not mixing socially in a way which can continue to spread the virus. They should observe the same social distancing principles as adults.
- Residential special schools, boarding schools and special settings continue to care for children wherever possible.

Atlantic Opening

These are exceptional circumstances, and in such times we will do **everything** we can to stand together with our community. To this end, our School **WILL REMAIN OPEN AND DELIVER PROVISION FOR THE CHILDREN OF KEY WORKERS who have NO OTHER OPTIONS OPEN TO THEM.**

We commit to sustaining this provision for as long as required.

We have contacted as many parents as possible who have specified they fall into these categories. If you feel you should have heard from the school about a place for your child please contact us as soon as possible [through the website](#)

Thank you all for your support during this time.

Yours sincerely

Mrs L Bishop
Principal of Secondary

Miss M Heppell
