

## Careers

Dear Parents/Carers,

Welcome back to our virtual Atlantic Academy! We have been so impressed with everyone's efforts since we started virtual school (both parents and children!) and thank you for all of your support.

We have an exciting half term ahead looking at lots of different careers which will help us to develop our own ideas on what we want to be when we grow up.

We will be writing our aspirations for our future in a letter to ourselves which we will save and open when we are in Year 6 - like our own time capsule!

Keep safe,  
Miss Cornell, Miss Jackson and Miss Gorrod

### OUR DRIVING QUESTION:

### What are my personal aspirations for my future?

**AS WRITERS** we will be producing some incredible writing based on two texts - "The Day the Crayons Quit" and "How to Hide a Lion". At the end of the term we will be writing a letter to ourselves which we will keep until we are in Y6!

**AS MATHEMATICIANS** we will be starting to look at capacity as well as recapping the four mathematical operations.

**AS HUMANITARIANS** we will be exploring different careers and investigating the similarities and differences between different jobs.

**AS COMPUTER SCIENTISTS** we are going to be taking another look at coding and developing our skills.

**AS ARTISTS** we are looking at portraits using fabric and other materials and hope to recreate our own faces as our end of term project.

**AS SCIENTISTS** we will be looking at the environment with a focus on climate change and how we can help.

**AS CITIZENS (PSHE/RE)** in RE we will be looking at Bible stories and thinking about what we can learn from them. In PSHE we will be thinking about our emotions and how our emotions can impact others.

**AS MUSICIANS** we will be thinking about some of our favourite songs and practising for Dance Day.

**THINGS TO REMEMBER**  
If you have any queries or questions in regards to online learning please do get in touch with your child's class teacher.

**AS ATHLETES** we will continue to maintain our fitness, agility and coordination with daily challenges alongside focusing on our well-being with weekly Healthy Habits activities.

We are only too happy to help and no question is too silly.
