Dear Parents and Carers

I hope that this letter finds you and your family well.

I am writing to confirm that we have decided not to set end of unit 3 assessments as we would normally in the weeks beginning 15th and 22nd June. Due to the circumstances we find ourselves in, tests would not be a fair reflection of the work students have been doing nor is it logistically possible to conduct them in a fair or useful manner when out of school.

Work will continue directly into Unit 4 using our on-line provision and a new Knowledge Organiser will be issued via the tutor classrooms on Monday. Knowledge Organisers can also be found on the Students tab on the Academy web-site. Ordinarily, due to assessments and revision our Unit 3 Knowledge Organisers would have been issued on 26th June but we have brought this forward and the Unit 4 Knowledge Organiser and the homeworks running alongside it will start on Monday 8th June and take us up to the end of the summer term.

As always, our Unit 4 Knowledge Organiser is an opportunity to revisit and embed knowledge from the work done through the year. While we won't be issuing a paper copy, we have specified each week which Unit and which week the homework was originally done so students can use their existing paper copies if they would like to.

There is no change to the homework arrangements and students should continue handing in evidence of their Knowledge Organiser homeworks in their Tutor Classroom each morning.

Thank you for your ongoing support of our on-line learning.

Yours sincerely

Mrs L Migliari
Associate Vice Principal
