## OUR DRIVING QUESTION:

**The most important changes in Britain between 1750-1900 were political. To what extent do you agree with this statement?**

**AS WRITERS** we will be studying poetry by WH Auden, learning more about play scripts and non-chronological reports and developing our spelling, punctuation and grammar skills.

**AS MATHEMATICIANS** we will be continuing to build on our maths knowledge by exploring the area and perimeter of shapes as well as converting units of measure.

**AS HISTORIANS** we will be exploring the changes in Britain during the Industrial Revolution.

**AS COMPUTER SCIENTISTS** we will be focusing on digital literacy to produce a factual presentation.

**AS ATHLETES** we will be improving our skills in netball and playing volleyball for the first time!

**AS SCIENTISTS** we will be finding out how the circulatory and respiratory systems work together. We will also find out and investigate what we have to do to keep our hearts and bodies healthy and why.

**AS CITIZENS** we will be focusing on our social confidence.

**AS MUSICIANS** we will be learning to play the Ukulele and participating in a small ensemble

## THINGS TO REMEMBER

**AS ARTISTS** we will investigate how the Industrial Revolution impacted on the architecture of the time.

**IN FRENCH** we will be continuing to expand our conversational skills, talking about where we live and comparing that to the lives of those in France.

- Please make sure PE kit is in school ready for their lesson on Tuesday.
- Every child must have a **clear** drink bottle that can be refilled with water.
