

24th April 2020

Dear

RE: Supporting your child during school closure and in their transition to Year 7

During this challenging time we wanted to reach out to let you know that we are opening up our google classrooms to students who we will be welcoming to the Atlantic Academy in September 2020. We are doing this in response to parental requests, and to support your child in their transition to Year 7 in September.

To access the home learning materials in the Year 7 Transition google classroom your child will need to use their Atlantic email address and password, which you will find below:

Student Email address:

Password:

To support your child accessing the online learning materials contained in the Year 7 Transition classroom a member of staff will give you a telephone call on Monday or Tuesday to help with any issues that might arise. **Please be aware that this call will be made using a withheld or private number.**

By having access to the structured learning materials available in the online Transition classroom, your child will be able to engage with high quality Year 6 lessons, gain a sense of achievement through completing daily updated work and prepare themselves for the transition to Year 7. Below is the timetable currently being followed by Year 6 students, and which your child will have access to via this [link](#).

Monday	Tuesday	Wednesday	Thursday	Friday
Science	Reading	Reading	Reading	Reading
	English/SPaG		English/SPaG	English/SPaG
Reading	Maths	English/SPaG	Maths	Maths
English/SPaG	French	Maths		
Maths		Humanities	Creative	
Computer Science	PE			

Yours sincerely

Mr A Dawson
Assistant Principal

Miss J Cornell
Head of Year 7
