Dear Parents/Carers

We would like to get some feedback from you about the transition materials and support that we have provided you and your child with since March. We value your thoughts and will be able to incorporate them into our future planning. The past few months have been a challenging period for everyone but the work we have done through the online transition classroom has brought us closer as a community, and we look forward to continuing to build our relationship with you when we open in September.

Please follow [this link](#) to complete the form.

Thank you for all your efforts, and the time you put into supporting your child with the online transition materials.
