Dear Parent/Carer

Re: Uniform requirements for P.E

As you will be aware, Atlantic Primary students are arriving at school in their sports kit on the days they have a P.E lesson. We have been delighted with the way this has worked and how you have all supported us with this change.

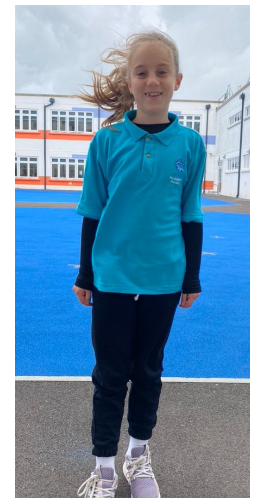

So far this term, we have been fortunate as the weather has been particularly pleasant. However, this will change as we enter the winter months. As the temperature drops, students may want to wear extra layers to keep them warm.

Essential PE Uniform

- Atlantic **Blue** Polo shirt from [Brigade Uniform Shop](#).
- **Black** Shorts/Leggings/Tracksuit trousers - plain
- Sports Trainers (lace up, if students can do this independently, or velcro)

Options Warm Weather Kit

- **Black** base layers
- Either a plain **Black** sweatshirt (non hooded) **or** Atlantic logoed Sweatshirt from [Brigade Uniform Shop](#). Preferably not an Atlantic Academy knitted jumper.
- Warm hat/gloves if required
- Waterproof coat

In line with government guidance, and to support our Healthy School Status, outdoor sports will be prioritised; we try to deliver practical lessons whenever possible. On days when the forecast is for poor weather, we would also encourage our students to wear a waterproof coat which they will be allowed to wear in outdoor PE lessons.

We know that properly equipped students will ensure that we can offer the very best sports provision at Atlantic and our students will continue to thrive in our outdoor environment.

Thank you for your support.

Yours faithfully

Mrs C Russell
Primary P.E. Coordinator
