Developing Character, Confidence and Commitment

Friday 13th November

Dear Parents,

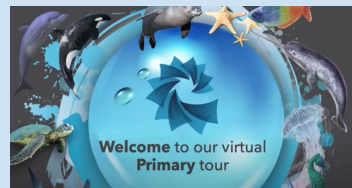

Well it's certainly been a busy week this week!

Remembrance: On Wednesday this week, across the school, we observed a 2 minute silence of Remembrance. It was wonderful to be able to bring the Academy together - in a socially distanced way - to remember those who lost their lives whilst protecting ours. Thank you to those students who came in in their troop uniforms; you looked fantastic.

Children in Need: Friday was a delight - our students looked fabulous with splashes of color added to their uniforms, thank you for your support in raiding the drawers to find items of clothing in unusual colours. The children worked together in their classes to think about a word that brought them positivity and together we 'painted' a rainbow, designed to spread joy to our community. I've attached the picture on the second page of our newsletter, I hope you like it as much as I do.

A reminder that our [virtual tour](#) of the Academy is available for viewing. If you know any parents who have children who will be starting school next year please do share this with them.

Finally, we have updated our website - any school videos can be found on our [Media Channel](#) and a copy of [all our Newsletters](#) have also been uploaded - it was quite emotional reading the old lockdown newsletters - what a year it's been!

Have a wonderful weekend - stay safe and we will see you next week.

Congratulations to all our heroes this week - a back catalogue of all our virtual Heroes assemblies can now be found on [our school website](#)

Virtual Enrichment

Our virtual enrichment sessions are in full flow, it's wonderful to see through Google Classroom what has been produced at home.

If you missed signing up for Enrichment sessions all our enrichment videos are being released on our website. Please do have a look - it might help pass the time on these rainy weekends!
