Developing Character, Confidence and Commitment

Friday 16th October

Dear Parents,

As we near the end of our final week in school this half term, I want to thank you for your support in the changes we have faced this last week. We received notification from Dorset that it was advised any parent on site were to wear a mask mid week. We all appreciate your quick response to the situation to ensure we can continue to run in a safe and responsible manner. Any teachers who have a face to face conversation with another adult has also been advised to mask up so please consider this if you wish to talk to a member of staff.

As we near the end of term, I have had a number of requests about the opportunity to talk about pupils' progress with class teachers. We will be running a virtual parents evening early December but if you have any questions please remember that the contact forms on the website is the best port of call for any questions you may have. [You can find the contact form through this link.](#)

And finally, this week we saw the first of our all through videos about our pupils favourite subjects. [We are proud to share this with you here.](#)

Have a wonderful week, continue to stay safe and follow the government guidelines to help protect our community.

Miss Heppell

Heroes of the Week
