Atlantic Academy Primary

Developing Character, Confidence and Commitment

Friday 17th January

Dear Parents,

It's been another great week at Atlantic as we have seen students getting stuck into their new topics and learning about everything from the history of transport to Romans, Vikings and the Industrial Revolution. We look forward to sharing some amazing work our students have been producing.

This week I would like to invite parents to participate in our Parent's forum. I'm keen to get together a group of Primary parents to feedback any concerns, updates or developments we are working on at the Academy. As a group, we will meet every term and we will be sharing our discussions on the Academy website. If you feel this is something you would be interested in taking part in <u>please complete this link</u>. It should only take you a few minutes and your feedback, as ever, is always welcome.

We have been working hard to update the events and activities in the calendar this week and are working to ensure all parents have as much notice as possible for Academy events. We understand that many parents have other commitments and need to book time off in advance. Please do keep an eye on the Atlantic Website for all events for the rest of the term. The newsletter will always feature events coming up in the next couple of weeks.

Thanks as always for all your support, I hope to see as many of you as possible at the next Principals' Drop in session on 27th January.

Miss Heppell

Attendance this week: 95%

Attendance champions: 1/2A: 98%
