## Developing Character, Confidence and Commitment

Friday 18<sup>th</sup> September

Dear Parents,

It's been another great week at Atlantic this week, and the children have continued to settle into their routines at school. We've been able to make the most of the beautiful lesson and are enjoying the outside space we have available at Atlantic Academy.

All our classes have started their new topics, and it has been wonderful hearing the discussions around their new learning. To find out more about the things our students have been doing this week, please do visit our Facebook and twitter pages.

A big thank you to all of you who have maintained the new rule of 6 expectations on drop off and collection. We appreciate you keeping your distance and ensuring we can get students into school in a well organised, socially distanced manner.

Next week the weather doesn't look as good as it has been - there could be some rain expected. Unfortunately we cannot have all parents and children on the paved area and will have to continue to use the grass. To avoid children and families getting cold and wet we would encourage you not to turn up early as this could result in you waiting in poor weather. In order to ensure students leave the building and remain socially distanced between their bubbles, it takes some time to get everyone in the building and settled and currently we are unable to speed this process up; we appreciate in advance your patience whilst waiting especially in more challenging weather. Please do ensure your child wears a waterproof coat to ensure they are warm and dry.

We hope you have a wonderful weekend, please stay safe and continue to follow the government guidelines and protect our community.

*Miss Heppell*

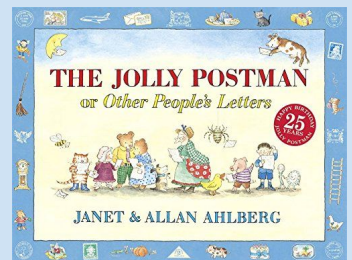

## Heroes of the Week

To enjoy our virtual Heroes assembly, [please click here](#)

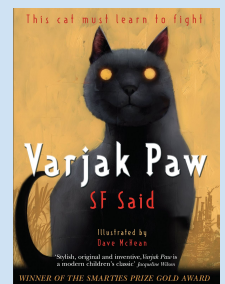

Congratulations to all our heroes this week

This half term we are reading:

Year 1

Year 3

**Atlantic Academy Portland**  
an Aspirations Academy
