Developing Character, Confidence and Commitment

Friday 13th September

Dear Parents,

We have had another great week at Atlantic!

Heroes assembly saw the first of our reading badges awarded: these badges celebrate 250,000 words that have been read by our students, what an amazing achievement! Please encourage your child to read daily and quiz books on Accelerated Reader to work towards their awards.

This week has seen all of our Key Stage 2 students (Year 3 upwards) visiting the Science labs for their Science lessons. Mrs Taylor is our specialist Science teacher this year and the children have been coming back from Science full of discussions, facts and enthusiasm.

We have also launched our new British Values awards this week. Students across the Academy can work towards their British Values award by demonstrating the rule of the law, individual liberty, mutual respect, tolerance and democracy. If your child competes in activities outside school, this can count towards their British Values award. Please do send in photos, we love celebrating the many activities our students complete both inside and outside school. Please visit our website if you want to find out more about British Values at Atlantic Academy.

Our Aspirations Theme this Half term:

Belonging

Attendance this week:
95.59%

Attendance champions
of the Week:
1/2A 99.4%

Book of the Half Term:
Year 5

August (Auggie) Pullman was born with a facial deformity that prevented him from going to a mainstream school - until now.

He's about to start 5th grade at Beecher Prep, and if you've ever been the new kid then you know how hard that can be. The thing is Auggie's just an ordinary kid, with an extraordinary face. But can he convince his new classmates that he's just like them, despite appearances?

Heroes of the Week:

Congratulations!

Diary Dates

September

24th **Reception** Parents Curriculum meeting
