Developing Character, Confidence and Commitment

Friday 10th October

Dear Parents,

Can you believe we are in October already? We've had a wonderful first month back at Atlantic and are slowly adjusting to a different way of running things in the school; from virtual assemblies to play times and lunches in our class bubbles. We are so proud of how the children have settled in and want to offer you all a big thank you for your support keeping socially distanced during drop off and collection - thank you for keeping our community safe.

This week we have enjoyed Bike to School Week. It's great to see so many of our students keeping fit and enjoying the fresh air. Please do remind your child to use the roads safely, wearing a helmet, and as the evenings draw closer wearing suitable clothing and lights.

Here are some other highlights from this week.

Every Monday, we have been asking our Atlantic Pupils a question about themselves and their school: this week we have been talking about careers and were not disappointed with the wonderful ambitions our children have. [We hope you enjoy their video.](#)

We hope you have a wonderful weekend, please stay safe and continue to follow the government guidelines and protect our community.
