### Developing Character, Confidence and Commitment

Friday 20<sup>th</sup> November

Dear Parents,

It's been another wonderful week at Atlantic Academy, thanks to all our families for their hard work and commitment.

A couple of reminders, please can parents wear face masks when they enter the site with our youngest students. In addition, if you wish to have a face to face conversation with any of our staff who are on the gate we must insist that face masks are worn. We are keen to continue protecting and supporting our community.

**Parents Evening:** Primary Parents evening will be held virtually this year due to the current restrictions in place. Parents can commit to a time of their choice through the following link <https://atlanticacademy.schoolcloud.co.uk> to book your appointments.

**Healthy Living Week:** Next week at Atlantic Academy, we will be celebrating Healthy Living week. As a Healthy Living School, this week is a particularly important event in our school calendar and we are determined that the current restrictions will not dampen our activities. You will have seen the Healthy Living posters on our Social Media channels and I have attached our family Bingo sheet of healthy activities for parents to participate in - we wouldn't want you missing out!

Our [virtual tour](#) of the Academy is still available for viewing. We have had lots of hits already so thank you to those who have already shared this with any prospective parents.

Finally, as I stated last week, have updated our website - any school videos can be found on our [Media Channel](#) and a copy of [all our Newsletters](#) have also been uploaded.

Have a wonderful weekend - stay safe and we will see you next week.

*Miss Heppell*

### Heroes of the Week

To enjoy our virtual Heroes assembly, [please click here](#)

Congratulations to all our heroes this week - a back catalogue of all our virtual Heroes assemblies can now be found on [our school website](#)

### Virtual Enrichment

Our virtual enrichment sessions are in full flow, it's wonderful to see through Google Classroom what has been produced at home.

If you missed signing up for Enrichment sessions all our enrichment videos are being released on our website. Please do have a look - it might help pass the time on these rainy weekends!

an Aspirations Academy

# Healthy Living Week Family Bingo

Go for a bike or scooter ride for at least 20 mins.	Check in on a friend or family member who might be feeling low	Go screen-free for the evening - why not play a board game?	Go to the beach and have a stone skipping contest.
Do Cosmic Kids Yoga Video from YouTube	Have a family skipping competition - who can do the most in a minute?	Try a new fruit or vegetable	Cook a healthy meal together - recipes are on the Atlantic website
Zip up your coats and go for a wintery walk!	Have a family puzzle or games night	Have a plank off - who can plank the longest	Take a ball to the park to play catch, footie or basketball
