### Developing Character, Confidence and Commitment

Friday 23<sup>rd</sup> October

Dear Parents,

Finally we are at the end of this half term, and what a half term it has been. I want to thank you for your support in the changes we have faced this half term, from the wearing of face masks, to staggered arrival and departure times and bearing with us whilst the weather has provided us with some challenging conditions. Yet with all of these factors, we have still seen great attendance and very happy children who have been working so incredibly hard - I couldn't be prouder.

Now we are at the end of half term, I have had a number of requests about the opportunity to talk about pupils' progress with class teachers. We will be running a virtual parents evening early December but if you have any questions please remember that the contact forms on the website is the best port of call for any questions you may have. [You can find the contact form through this link.](#)

And finally, last week we saw the first of our all through videos about our pupils favourite subjects. [We are proud to share this with you here.](#)

Have a wonderful half term break. Please do continue to stay safe and closely follow the government guidelines to help protect our community.

*Miss Heppell*

### Heroes of the Week

To enjoy our virtual Heroes assembly, [please click here](#)

Congratulations to all our heroes this week

### Diary Dates

#### October

26-30 Oct - Half Term
