It has been another great week at Atlantic Academy with the start of our virtual Google meetings. It has been wonderful to see so many smiling faces and hear about the things you have been up to at home. We still have another two virtual meetings so if you didn't get the chance to join this week, don't worry as you can join one of the others.

If you haven't yet given permission to join the Google meetings, please sign up [using the following link](#) - can't wait to see you there!

This week we enjoyed receiving all of the amazing photos and videos from our first Atlantic Virtual Sports Day. You all did such an amazing job and it was great to see so many grown ups and brothers/sisters get involved too! We've made a video to celebrate and share your achievements as well as to give some Sports Day awards - check it out at the [following link](#).

Don't forget that our Dance Day video submission deadline is next Thursday 9th July so get practising this weekend! Primary staff did a socially distanced dance on Wednesday - we can't wait for you to see it!

As ever we have loved sharing what everyone has been up to at home on our Atlantic Facebook/[Twitter](#) pages; here are some from this week! Don't forget, if you want to share anything you get up to, please send photos to Mrs Hill (ahill@atlantic-aspirations.org).

Don't forget to watch our latest Heroes Assembly celebrating all of the incredible work from our pupils over the past week. The assembly can be accessed through [this link](#).

Have a wonderful weekend and as ever, stay safe.
