Developing Character, Confidence and Commitment

Friday 26th September

Dear Parents,

It was wonderful to meet so many parents this week at our Reception and Year 6 information sessions. If you were unable to attend, all information is all available through our website.

It's great to see more awards being presented in our Heroes' assembly. We have already had students achieve their Silver award, reading 500,000 words since the beginning of term! All students from Year 2 upwards have access to Accelerated Reader. To check word counts and quiz books [follow this link](#)

This year, all spelling homework in the Primary phase, is completed through [Spelling Shed](#). This is a free online resource also accessible via a paid app. The students at Atlantic are loving playing Spelling Shed and we know it helps promote improved attainment with their spellings.

From a maths perspective, we use two online resources, [Mathletics](#) (again via a web browser or a free app) and [TTRockstars](#), a times table app. In TT Rockstars, playing in the 'Garage' will ensure the questions your child is answering are tailored to their appropriate level.

We hope you are able to spend some time exploring these resources with your children; they really do make learning fun! For further links to you online resources [please visit our website](#).
