Developing Character, Confidence and Commitment

Friday 9th October

Dear Parents,

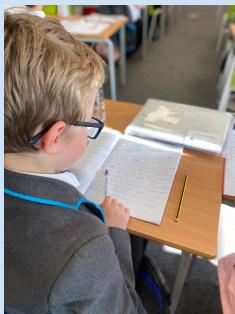

It's been another busy week at Atlantic: we've seen the first of our school council meetings taking place; this has been a tricky task to achieve due to social distancing and bubbles in school but with the help of our amazing Junior Leaders we have continued to ensure pupils in the Primary Phase of Atlantic Academy have a say in how we shape our school. This week they had been discussing school lunches - we will keep you posted on their comments.

Our students put together a lovely video about why they love coming to school. [I'm really proud to share this with you.](#)
