

November 2020
Dear Parents and Carers

## Re: Unit 2: PPE Week and Healthy Living Week

During the week commencing 16th November 2020, we will be holding our Unit 1 assessment week for students in Years 3-5.

This will be followed by a celebration week commencing 23 rd November and will be based around the theme of 'Healthy Living Week'. This is a very exciting time and there are lots of opportunities for all pupils to celebrate their hard work and progress since the beginning of the year and take part in a range of exciting activities based around healthy eating and Keep Active competitions.

The assessment week will act as a checkpoint to see how students have progressed so far this year. Years 3-5 assessments will take place in classrooms with their classroom teacher. Students will be assessed on all their work since the beginning of the year and outcomes will ensure sufficient intervention and support is in place for any students who need additional support.

The outcomes from these assessments will be shared with students and parents on Thursday 10th December via report. Parents can also book an appointment with your child's class teacher if you wish to discuss the report, more details regarding booking parents evening appointments will follow closer to the time..

In order to support primary students for assessments during this period, please encourage your child to make use of our online learning platforms:

- Times Table Rockstars
- Mathletics
- Spelling Shed
- Accelerated Reader

Any student who has any unauthorised absence during the week will be required to complete any missed assessments on their return to the Academy. We wish your child all the best and look forward to celebrating their progress.

Yours faithfully

Mrs K Baby
Key Stage 2 Lead
