Developing Character, Confidence and Commitment

Friday 11th December

Dear Parents,

What a fabulously festive week we have had at Atlantic Academy.

On Friday we saw every child at Atlantic take part in the Santa dash organised by Dorset School games. This event, combined with Christmas Jumper day, led to a wonderfully festive occasion. It was lovely to see all our students out enjoying themselves - I hope your children enjoyed it as much as we all did.

All classes have now sent home their Christmas window displays. If you have the space available, please do display these in your windows for the community to enjoy. We hope this will provide a good game throughout December to see how many different pieces of work you can see around Portland. A very big thank you to the PTA who provided the resources for this crafts activity.

Nativity

Our Reception, Year 1 and Year 2 Nativity has now been filmed. The whole Nativity was filmed in a COVID secure way - ensuring we can keep protecting our school and community. The staff and students have worked incredibly hard to get this produced and filmed. We hope you enjoy watching it. **Nativity will 'go live' at 6pm on Tuesday 16th December** on our Social Media Platforms for you to enjoy at home with your families. All students will be watching the performance on Wednesday 17th December in their classes.

We are looking forward to a wonderful last week at Atlantic
