Developing Character, Confidence and Commitment

Friday 15th January

Dear Parents,

Well what a crazy couple of weeks these past two have been!

Firstly, I want to send out a very warm thank you to all of you who have once again taken up the responsibility of online learning and homeschooling your children. All of us at Atlantic are incredibly grateful for the amazing support you have been offering your children, and we appreciate not only what a big job this is but the time that is involved. I know your child's class teacher will have been in touch but if there is anything at all we can help with in any way, please do not hesitate to contact us. The school website is the best source of contact and can be accessed [here](#).

Since the beginning of last week we have had some wonderful work submitted through our Google Classrooms, See Saw and Tapestry platforms. Do keep an eye on our social media feeds for information about work that is being completed across the school, it's truly inspiring and we are very proud of everything that our children have achieved.

This week we have seen a number of Google Hangouts. It was lovely to join some of these during tutor time sessions this week, and witness the huge pleasure our children got from meeting up socially. If your child has yet to access Google Hangout, please do sign up [here](#). The Google Hangouts are brilliant fun and support children's mental health as well as giving them a sense of belonging to our community.

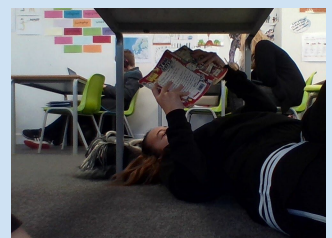

Have a wonderful weekend everyone, staff safe and continue to take care of our wonderful community.

Miss Heppell

Heroes of the Week
