Dear Parent/Carer and Student

Reopening Monday 8th March 2021

As you may be aware The Prime Minister has announced on Monday 22 February that the Government has set out its plan for the return of all students to schools and colleges, as part of the [roadmap for leaving lockdown](#), which was published yesterday.

Over the next few days there will be more information to come from the Department for Education around what this means in practical terms for schools. Once we have these details we will look at the implications for Atlantic

The Senior Leadership Team is considering the implications of a full return to school and implementation of Lateral Flow (Rapid Covid-19) testing to the school community, and will send detailed plans to you as soon as possible.

We thank you for your patience during this time.

Yours sincerely

Mrs L Bishop
Principal of Secondary
