

Dear Parents/Carers,

Welcome back to virtual learning, we hope you had a lovely half term break.

It has been fantastic to have so many of you working hard with us to keep your children occupied, happy and set on their learning journeys - we really couldn't hope to do so well without your amazing support.

We will continue to provide an exciting curriculum to work through at home for as long as this unhappy circumstance is placed upon us. Together we can make this amazing - please do not hesitate to get in touch if there's anything we can do to help.

Miss Jackson, Miss Jewkes, Mrs Sanderson and Mrs Symes

OUR DRIVING QUESTION:

How can we, as advertisers, persuade someone to buy our Easter Egg?

AS WRITERS we will be exploring the book *Charlie and the Chocolate Factory* by Roald Dahl. We will write our own character description, create an advert and look at Revolting Rhymes during our poetry unit towards the end of term.

AS COMPUTER SCIENTISTS we will learn about taking photos and editing them.

AS CITIZENS (PSHCE/RE) we will be thinking about our emotions and feelings and how to handle them. In RE we will learn about the Lent and Easter story and why Christians celebrate this time of year.

AS MUSICIANS we will be looking at Pulse and Meter.

AS MATHEMATICIANS we will be covering fractions, time and before ending the term with some decimals.

In Key Skills we will continue to revisit the 4 key operations as well as recapping our previous learning.

AS DESIGNERS we will be coming up with an amazing idea for a delicious chocolate bar. We will come up with a name, a recipe and actually try and make our own chocolate bar. We will also design a wrapper for our chocolate bar.

IN FRENCH we will continue to use [Duolingo](#) and will look at basic greetings and family.

AS SPORTS STARS we are progressing our skills from previous units to Invasion and Net Games; encouraging teamwork and individual skills.

AS SPORTS STARS we will be progressing our skills from previous units to Invasion and Net Games; encouraging teamwork and individual skills.

THINGS TO REMEMBER

- We are all in this together and we miss you!
- Maths and English tasks are set each day and tend to build lesson by lesson in each week.
- Do try to keep up 20 minutes of reading daily, and to take AR Quizzes for each book you read!
