

Dear Parents/Carers,

We hope you had a lovely half term and welcome back to another exciting term of learning!

We are really proud of how hard you have all worked at home and at school last term. Remember, all of the lessons you need for home learning are on seesaw and [Lexia](#), [Spelling Shed](#) and [Numbots](#) are also available to support you.

Whilst we are at home we'll be continuing with our live tutor times on Mondays and Thursdays at 9am, and maths key skills each Friday. The links for these will always be on [Seesaw](#). Your child may also be invited to other small group sessions throughout the week to support them.

Don't hesitate to get in touch if there is anything at all we can do to help you and your child.

Miss Powell, Miss Chant and Mrs Denning

OUR DRIVING QUESTION:

As explorers, can we discover the countries that make up the United Kingdom?

AS WRITERS we will explore traditional tales from around the United Kingdom, and discover some modern poems about our country.

AS MATHEMATICIANS we will investigate numbers all the way to 100 as well as exploring multiplication, division and learn how to tell the time.

AS GEOGRAPHERS we will travel the country to find out who makes up the United Kingdom.

AS COMPUTER SCIENTISTS we will be finding out how illustrators use technology and creating our own electronic illustrations.

AS SPORTS STARS we will be harnessing the fundamental movement and ball skills we have learned in previous terms, beginning to build them into game play. Introducing different ball and net sports, encouraging teamwork and individual effort.

AS SCIENTISTS we are going to learn about our amazing bodies and our senses. Later in the term we will learn all about animal bodies, grouping animals and what they eat.

AS CITIZENS we will be finding out about Judaism and Easter in RE. In PSHE we will be looking at looking after ourselves.

AS MUSICIANS we will be exploring rhythm and how symbols can tell us the pace and beat of music that we listen to and perform.

THINGS TO REMEMBER

- Come to the live tutor times at 9am on Monday and Thursday
- Please continue to read with your child each day.

AS DESIGNERS we will explore texture and movement using levers and wheels to create a moving picture.
