Developing Character, Confidence and Commitment

Friday 19th March

Dear Parents,

Another great week has passed at Atlantic Academy where we've seen busy, hard working students enjoying being in school.

Comic Relief

It was wonderful to see a wave of red take over our Primary students on Friday for Comic relief. Our pupils took part in some great games and activities at break and lunch time, and we finished the day with a whole-school challenge: to complete a Mexican Wave! All our classes were socially distanced and did a wonderful job. If you want to [see our video you can watch it here.](#)

Unfortunately, we were unable to take cash donations for Comic Relief, but if your children had a wonderful day, and you enjoyed our video, [please take a few moments to make a small donation.](#)

Primary Pick up and Drop off

Thank you for your support following last week's request to ensure social distancing is in place at drop off and pick up - parents are noticeably taking precautions and we thank you for supporting our community.

A number of parents have started to drop children off and collect them from the side of the grass field opposite Sunbeams nursery. A reminder that this area has double yellow lines, no drop-off or pick up should be taking place from there. We are very lucky to have ample parking at Atlantic Academy, please use the allocated parking areas.

Calendar of Events

We have been working on a calendar of events for the Summer term and are pleased to tentatively release these. Whilst we are planning these events, we will not hesitate to cancel or delay anything planned if holding them would mean our community is put at risk. We are hoping that as a country, we are able to follow the government's guidelines under the initial plans out of lockdown but if things change we will adjust things accordingly - some events may have to be virtual but we are all committed, as ever, to ensure our students don't miss out on the enjoyment of the summer term.

We hope you have a wonderful weekend relaxing and making the most of the beautiful coast we live on.

Miss Heppell

Heroes of the Week
