Dear Parent/Carer

Re: Homework Expectations

Firstly, may I thank you all for your support over the most recent lockdown period and in the smooth return of our children to full-time schooling. It has been a huge pleasure to watch our children settle back into their classroom routines, and enjoying learning with their friends and teachers.

During all of the lockdown periods we have been hugely impressed with your commitment to remote learning, and this has undoubtedly helped our children maintain their motivation and standards. Now that all of our children have returned to full time schooling we would like to build on the good work we established at home, and encourage the use of the homework schedule. This will enhance everything we do at school, and really benefit our children. The homework schedules are unchanged from previous terms.

ASPIRATIONS

Termly Homework

Each term a number of projects will be issued for students to choose and complete in line with their topic for the half term - these can be found on your child's home learning platforms. These tasks are voluntary but are designed to support the provision offered in the topics that the children are learning.

If you have any concerns regarding the homework timetables we have in place for primary students please do let us know via the contact pages on the website and we will help out in any way possible.

Thank you one again for your support and commitment to your child's education.

Yours sincerely

Miss M Heppell
Principal of Primary
