Developing Character, Confidence and Commitment

Friday 11th June

Dear Parents,

School Lunches

After such a long time eating lunches in classrooms it's been wonderful this week to have our pupils back in the dining hall enjoying hot food. As you will be aware, we have a new company overseeing the dining options at Atlantic and although there have been a few teething problems we are excited about the further development of this provision. Thank you for all the feedback we have received regarding this matter.

Summer Events

Recently, I have been discussing with local Head Teachers in the Chesil area the prospects of wider opening, and the opportunities of parents attending summer events. As Head Teachers, we have decided that we will not be in a position to invite parents into school for any events during the summer term. Although I know this will be disappointing to parents, it does mean that we can maintain a Covid-Safe environment at school, and pupils will not miss out on fun summer activities like the sports and dance days. We will film all events to try and ensure parents can experience as much as possible. Apologies for having to break this news to you but I'm sure you can understand our rationale.

People who changed the world

Year 2 put on a wonderful display today as they started their new topic, 'People Who Changed the World'. I wouldn't have thought I'd be walking down the corridor accompanied by Joan of Arc, Neil Armstrong, a range of suffragettes, Mary Anning, Princess Diana, Shackleton, John Lennon and Katalin Kariko (you might have to google that one!) to name just a few! What a wonderful effort from parents and our great pupils, they looked amazing and I have no doubt our Year 2's will most definitely go on to change the world!

Parents' Evening

Parents' evening slots open today, please do book an appointment to see your child's teacher. The appointment will provide a chance to discuss school reports which will be shared through SIMs. If you have any questions regarding this please do not hesitate to [contact us](#).

Have a wonderful weekend - I'm holding out for this fog to disappear and sunshine to come back - fingers crossed!

Miss Heppell

Heroes of the Week
