June 2021

Dear Parents and Carers

During the week commencing 28th June 2021, we will be holding our **Unit 3 assessment week** for students in Years 7-10.

PPEs

The assessment week will act as a checkpoint to see how students have progressed during this year and to allow teachers to identify gaps in learning and plan to address these during the last few weeks of school and into the 2021-2022 school year. Years 7-9 assessments will take place in teaching classrooms with their class teachers supervising. Year 10 assessments will take place in the assessment area allowing students the opportunity to get used to sitting their exams in this formal exam environment in preparation for their final in school assessments which will take place in next year.

Knowledge Organiser Tests and Homework

There will be no Knowledge organiser tests during these assessments as the homework schedule had been suspended during remote learning. There will be no Knowledge Organiser homework during the week of the 21st June or during the PPEs, Knowledge Organiser homework will be reinstated the week beginning the 5th July. All students need to continue to focus upon carrying out their own independent revision in preparation for these examinations. The following websites can be used to support students revision for the PPE exams, there are links to these from the Atlantic Academy Website:

- Focus elearning (GCSE Science Required Practical support)
- Seneca Learning (Free online revision site)
- Times Table Rockstars
- My Maths

Please see below a provisional overview for each year group for Unit 3 Examination timetable for your reference. The outcomes from these examinations will be shared with students during the week of the 19th July. Reports will only be available on the SIMS app, no paper copies will be sent home with students. All students need to continue to focus upon carrying out their own independent revision in preparation for these examinations.

Any student who has any **unauthorised absence** during the PPE window will be required to complete any missed exams under exam conditions on their return to the Academy and students may be expected to stay after school to complete these. We wish your child all the best and trust their preparation for these exams will go extremely well.

Yours faithfully,

Mrs L Migliari
Vice Principal
