

Dear Parents/Carers,

Welcome back to our final term in Year 2!

We have an exciting half term ahead looking at people who have changed the world. We will be researching inventors, explorers and pioneers.

A few reminders: spelling quizzes on Friday and PE on Wednesday. Please remember to read each day and complete TT rockstars to earn those arithmetic badges!

Thank you for your support,
Miss Frampton

OUR DRIVING QUESTION:

How have people overcome adversity to change the world?

AS WRITERS we will be writing instructions on 'How to survive an expedition' and a biography of a significant explorer or pioneer. We will be reading 'Fantastically Great Women who changed the world' and the Journey by Francesca Sanna.

AS MATHEMATICIANS we will be learning about volume and how to solve word problems. We will also be recapping our shape and number knowledge.

AS HUMANITARIANS we will be exploring what motivates people to change the world and how they prepare for this. We will be researching women who changed the world and asking 'Are all journeys an adventure?'

AS COMPUTER SCIENTISTS we are going to be using Scratch to create quiz programs.

AS ARTISTS we are looking at portraits and self portraits, focussing on picasso and cubism.

AS SCIENTISTS we are going to review our learning across the year to evaluate our learning. We will be discovering our areas of strength and areas we need to improve on.

AS CITIZENS (PSHE/RE) in RE we will be looking at Bible stories and thinking about what we can learn from them. In PSHE we will be thinking about growing and changing.

AS MUSICIANS we will be appraising and learning songs all about friendship.

If you have any queries or questions in regards to learning please do get in touch.

AS ATHLETES we will be embracing the summer sports: athletics, rounders and cricket. Further developing the skills needed to play and perform both individually and as a team. As always we will continue to work on our fitness levels and stamina, ready for Sports Day!
