### Developing Character, Confidence and Commitment

Friday 16<sup>th</sup> July

Dear Parents,

#### Dance Day

I am so proud of our amazingly talented students at Atlantic. Thursday saw us celebrate Dance day - it was such a relief to be able to perform our dances to one another, even if our parents and community were missed. We have tried to capture all the dances in as much detail as possible for you all and hope you enjoy them as much as we did.

#### Bio Blitz

On Friday, the Atlantic Academy BioBlitz took place. The event was a collaboration between Atlantic Academy, Eden Portland and Island Community Action and saw our students supported by our secondary students, taking part. Working in the meadow area of the school, we were set the challenge to find and identify as many species of plants, animals and fungi as possible in a specific area over a short period of time. We had a wonderful time and it was an important reminder of the wildlife on our Island

#### Year 6 Sleepover

Friday also saw our Year 6s take part in a school sleepover. Usually the oldest in our Primary school take part in a residential to London in the Summer term. Unfortunately there was no way this could happen given the situation over the past year. It was important however that our oldest Primary students still had a chance to stay away from home. The evening was packed with games, sports activities, treasure hunts, fish and chips and stargazing. A very big thank you to all the staff who gave up their evening to support.

#### Parent Forum

Finally it's the last chance to take part in our Parent forum this week on Tuesday 20th July from 2-3pm. If you would like to attend this event please express your interest using this link, [Parent Forum Form](#).

I'm looking forward to great final week of the Summer term and know we have lots of exciting activities ahead.
