Student Uniform & Equipment Policy

2021/2022

Student Uniform and Equipment 2021 to 2022

Rationale

This Academy believes in high standards, high aspirations and the highest expectations in every aspect of its operation. Students and staff are expected to take pride in their appearance and this will support in developing high levels of self-worth and character. The Academy aims to give all students the foundations for a successful life by helping them to develop the skills and attitudes that will provide them with real life-chances. Students are expected to work hard and to achieve their individual best academically, to develop skills relevant to the 21st Century and to develop the self-confidence and sense of purpose necessary for success in a highly competitive global society.

A smart appearance is an increasingly important aspect of modern life as it does help a person to display an air of self-confidence and a sense of respect. The Academy aims to prepare students for a successful life and so an emphasis on taking pride in one's own appearance is an essential part of the educational process. The Academy has a strict uniform policy which helps to enhance the purposeful and successful climate of the Academy. Our uniform policy demands professionalism and ensures safety which also ensures that students are fully focused on learning as opposed to other distractions.

The Academy uniform provides students with many positive advantages, because uniform:

- Diminishes the social exclusion of students based on what they are wearing
- Places stronger focus on academic performance
- Reduces family tension as students do not have to compete with their peers for the latest trends in clothes
- Creates an atmosphere of teamwork
- Encourages pride in personal appearance and of the Academy
- Promotes safety, particularly through making it easier to identify strangers
- Increases self-esteem and reduces peer pressure
- Most cost effective to parents in the long run
- Makes them ambassadors for the Academy in the local community.

Students are expected to wear full Academy uniform on the way to and from the Academy. Jewellery and other forbidden items will be confiscated and only returned at the end of each half-term.

Essential items of uniform, e.g. Academy blazer, some items of PE kit, are only available from the Academy uniform suppliers, Brigade Schoolwear.

GUIDANCE NOTES

The Uniform Policy is strict and consistently applied.

The policy encourages in students a sense of pride, belonging and loyalty to the community of which they are members. Students are expected to be smartly dressed at all times, including on their journey to and from the Academy.

Any potential inequalities and negative group allegiances are also eliminated by the Uniform Policy. When a student is not in full uniform or expected appearance, they will not be permitted to attend lessons. In such cases students will, with parental consent, be sent home to change, or alternatively undertake supervised work within the Faculty until the student is of correct appearance. If in any doubt about the details of the Uniform Policy, and to save time and anguish, please contact the Academy. It is better to check.

Compulsory Basic Student Equipment Expectations - Years 5 to 11

By students always being fully equipped it supports the impact of every minute of every lesson be maximised.
