PREVENTING RADICALISATION POLICY

Latest version:	September 2021	Review period:	1 year
Date of next review:	September 2022	Owner:	S Hendrie
Type of policy:	Academy	Approval level:	SLT

Background

This 'Preventing Radicalisation Policy' is part of our commitment to keeping children safe.

Since the 'Education and Inspections Act 2006' schools have a duty to promote community cohesion. Over the last few years global events have led to a growth of extremist viewpoints, including advocacy of violent extremism.

Schools have an important part to play in both educating children and young people about extremism and recognising when pupils start to become radicalised. In March 2015 new statutory duties were placed on schools by the 'Counter Terrorism and Security Act,' (2015) which means they must work to prevent children being drawn into extremism.

Safeguarding children from all risks of harm is an important part of a school's work and protecting them from extremism is one aspect of that.

Ethos

The Aspirations Academies Trust ensures that through its academies vision, values, rules, diverse curriculum and teaching we promote tolerance and respect for all cultures, faiths and lifestyles. The academies LAB also ensures that this ethos is reflected and implemented effectively in policy and practice and that there are effective risk assessments in place to safeguard and promote students' welfare.

We have a duty to prepare our children for life in modern Britain and to keep them safe. Pupils who attend our academies have the right to learn in safety. We do not tolerate bullying of any kind and will challenge derogatory language and behaviour towards others.

The main issues affecting young people living and attending school in Weymouth and Portland area are far right extremism. As such, we base our ethos around tolerance and respect of all faiths and cultures, fostering a deep sense of inclusion and community cohesion within the school and local community.

Statutory Duties

The duty to prevent children and young people being radicalised is set out in the following documents.

- Counter Terrorism and Security Act (2015)
- Keeping Children Safe in Education (2020)
- Prevent Duty Guidance (2015)
- Working Together to Safeguard Children (2018)

Non-statutory Guidance

- Promoting fundamental British values as part of SMSC in schools: Departmental advice for maintained schools, (DfE 2014).

Definitions

Extremism is defined in the 2011 Prevent strategy as vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas.

Radicalisation refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.

British Values are democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

Roles and Responsibilities

Role of the Regional Board (RB)

It is the role of the governing body (RB) to ensure that the academy meets its statutory duties with regard to preventing radicalisation.

The RB has a nominated person; the Safeguarding and PREVENT Governor, who will liaise with the Principal and Designated Safeguarding Lead and other staff about issues to do with protecting children from radicalisation.

Role of the Principal

It is the role of the Principal to:

- ensure that the school and its staff respond to preventing radicalisation on a day-to-day basis,
- ensure that the school's curriculum addresses the issues involved in radicalisation
- ensure that staff conduct is consistent with preventing radicalisation

Role of Designated Safeguarding Lead

It is the role of the designated safeguarding lead to:

- ensure that staff understand the issues of radicalisation, are able to recognise the signs of vulnerability or radicalisation and know how to refer their concerns

- receive safeguarding concerns about children and young people who may be vulnerable to the risk of radicalisation or are showing signs of radicalisation
- make referrals to appropriate agencies with regard to concerns about radicalization
- liaise with partners, including the local authority and the police
- report to the RB on these matters

Role of Staff

It is the role of staff to understand the issues of radicalisation and know how to refer their concerns.

Curriculum

We are committed to ensuring that our pupils are offered a broad and balanced curriculum that aims to prepare them for life in modern Britain. We encourage our pupils to be inquisitive learners who are open to new experiences and are tolerant of others. Atlantic Academy is a values based learning community. Our values support the development of the whole child as a reflective learner within a calm, caring, happy and purposeful atmosphere. Teaching the schools core values alongside the fundamental British values supports quality teaching and learning, whilst making a positive contribution to the development of a fair, just and civil society.

Internet Safety

The internet provides children and young people with access to a wide-range of content, some of which is harmful. Extremists use the internet, including social media, to share their messages. The filtering systems used in our school blocks inappropriate content, including extremist content.

Staff Training

Staff will be given training to help them understand the issues of radicalisation, to be able to recognise the signs of vulnerability or radicalisation and know how to refer their concerns and address behaviour that may be interpreted as not in keeping with the school's ethos and values. This information also forms part of induction safeguarding training. Staff are updated as necessary in regular safeguarding briefings and at training sessions.

Safer Recruitment

We ensure that the staff we appoint to the school are suitable, our recruitment procedures are rigorous and we follow the statutory guidance published in Part 3 of Keeping Children Safe in Education (2020). Vetting and barring checks are undertaken on relevant people, including governors and volunteers. See also the Safeguarding and CP Policy.

Volunteers

Visitors / Volunteers to the school are made aware of our Safeguarding and Child Protection policy and are given information about what to do if they are concerned about any aspect of child welfare.

Signs of Vulnerability

There are no known definitive indicators that a young person is vulnerable to radicalisation, but there are a number of signs that together increase the risk. Signs of vulnerability include:

- underachievement
- being in possession of extremist literature
- poverty
- social exclusion
- traumatic events
- global or national events
- religious conversion
- change in behaviour
- extremist influences
- conflict with family over lifestyle
- confused identity
- victim or witness to race or hate crimes
- rejection by peers, family, social groups or faith

Recognising Extremism

Early indicators of radicalisation or extremism may include:

- showing sympathy for extremist causes
- glorifying violence, especially to other faiths or cultures
- making remarks or comments about being at extremist events or rallies
- evidence of possessing illegal or extremist literature
- advocating messages similar to illegal organisations or other extremist groups
- out of character changes in dress, behaviour and peer relationships (but there are also very powerful narratives, programmes and networks that young people can come across online so involvement with particular groups may not be apparent)
- secretive behaviour
- online searching or sharing extremist messages or social profiles
- intolerance of difference, including faith, culture, gender, race or sexuality
- graffiti, art work or writing that displays extremist themes
- attempts to impose extremist views or practices on others

- verbalizing anti-Western or anti-British views
- advocating violence towards others

Referral Process

Staff and visitors to the school must refer all concerns about children and young people who show signs of vulnerability or radicalisation must be passed to the Designated Safeguarding Lead, using the usual methods for reporting safeguarding concerns. When there are significant concerns about a pupil the Designated Safeguarding Lead will make a referral to:

Dorset Council Prevent Team

If you believe that someone is at risk of radicalisation you can help them obtain support and prevent them becoming involved in terrorism by raising your concerns and making a referral. You may have concerns about a potentially vulnerable institution that is being exploited for the purpose of promoting an extremist ideology. In either case, a dedicated team is ready to help.

- If there is an immediate threat to life always dial 999.
- Members of the public can call 101 to report any concerns.
- Alternatively call our team directly during office hours on 01202 229337 or email dorsetprevent@dorset.pnn.police.uk

Monitoring and Review

This policy will be monitored by the RB at least annually by receiving a report from the Designated Safeguarding Lead.

This is not a statutory policy and will be reviewed at an appropriate time not later than two years after ratification by the RB.
