Developing Character, Confidence and Commitment

Friday 10th September

Dear Parents,

Welcome Back! What a wonderful week it has been at Atlantic Academy. A very big welcome to all our new families, it's been wonderful to see our new Reception starters settle into school so well - I couldn't be prouder of the new additions we have to our Atlantic Family.

Enrichment

We are looking forward to our Enrichment Clubs starting on Monday. We've had an astounding 200 pupils sign up to take part in an Enrichment club this term and can't wait to share with you the successes from the clubs. Our Enrichment program couldn't go ahead without the support of our fantastic staff and I'd like to take a moment to thank them for their support. It's down to them that we have been able to offer such a varied selection of Enrichment Clubs from Lego to Sewing and Football to mention just a few.

Curriculum Newsletters

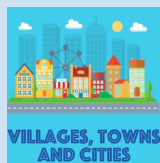

Each half term we release a curriculum Newsletter for every year group to inform parents of the areas of learning we are covering each half term. This communication can help you have discussions with your child about the activities that are taking place in the classrooms each half term. Please spend some time talking to your child about the areas they are learning this half term.
