Well, it's been another busy week at Atlantic Academy this week!

Enrichment

Our Enrichment activities started this week and what an amazing time our students have had. It's been wonderful to see so many students from so many ages participating in the enrichment program, thank you for supporting our clubs.

Our new reception classes participated in their first Beach School adventures this week. Open afternoon and tours

We are very excited that we are able to offer some open afternoons and tours to any potential reception starters for next September. If you know anyone with children who are starting school in September please do share the dates with them, we'd love to see some new families take the opportunity to visit the school and explore our Reception unit.

Have a wonderful weekend and enjoy our beautiful island in this Autumn sunshine.
