Developing Character, Confidence and Commitment

Friday 24th September

Dear Parents,

It's been another week of glorious sunshine and fun activities at Atlantic Academy this week.

Junior Leadership group

I'm pleased to present to you our Junior Leadership group. This wonderful collection of Year 6 students are all taking on important roles in our Primary school to help develop a student voice at Atlantic; ensuring the quality of education we provide and the opportunities surrounding them are engaging and rich in challenge. I look forward to sharing with you all some exciting projects they are working on.

Parent Forum

This week, we held the first Parent forum of this academic year; it was wonderful to discuss communication, uniform and enrichment activities to name just a few things with a wonderful group of parents. We will be publishing minutes of the meeting through our website shortly but if you are keen to join our Parent Forum group please do consider signing up. We would love to see a range of parents attending, your voice is so important in shaping our school and we are always here to listen and share ideas. If you are keen to join our Parent Forum group please don't hesitate to contact me through the [contact form on our website](#).

Open afternoon and tours

Last week, we shared dates of our Primary Open Afternoons and tours. We are pleased that we are once again, able to open our doors up to the wider community and show off our school. If you are a current Reception parent at Atlantic Academy we would love to extend this invite to you, too. Please do come and explore our facilities, whilst we may not have been able to open our doors to yourselves when you were applying for school places, we know that many parents are very keen to explore the wonderful learning spaces we have at Atlantic.

Have a wonderful, well rested weekend. I look forward to seeing you all on Monday.

Miss Heppell
