Dear Parent/Carer,

Homework in KS2

What a start we have had to our term here at Atlantic Academy! The children have really settled into their new year groups and learning routines. One way in which the learning we do at school can be supported at home, is by regular completion of homework. To make this fun, engaging and relevant we have a mixture of online platforms to complete work on each week as well as our topic related tasks to complete at your own pace throughout the half term.

As a reminder, below is our homework expectations for KS2 at Atlantic Academy:

- 20 minutes of reading every day (in KS2 this information is taken from your child's Accelerated Reader account - the more they read and quiz, the more time they log);
- TT Rockstars works best when accessed little and often - we expect 20 minutes of time logged each week between Monday and Sunday;
- Spelling Shed and SENECA (Science) tasks are set on Friday and due the following Friday, this should take approximately 20 to 30 minutes;
- Activity Challenges are linked to your child's current topic and can be found on the Topic Newsletter and the class Google Classroom (where work can also be uploaded for their teacher to see).

For those children who do not have access to a device on which to access TT Rockstars, Spelling Shed and SENECA, they can complete these tasks during an allocated breaktime - they just need to make this known to the class teacher.

Thank you for the continued support of your child's learning journey at Atlantic Academy.

Yours faithfully,

Mrs K Dalby
KS2 Lead
